Sir:

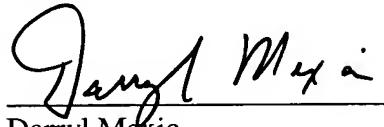

In response to the restriction requirement, dated June 10, 2003, Applicant elects Group II, claims 5-10 for examination. This election is made without traverse. It is noted that claim 10 was originally in Group I, directed to a process, but in view of the accompanying Amendment, which changes claim 10 to an apparatus claim dependent upon claim 5, claim 10 should also be examined with the Group II claims.

It is understood that no Election of Species is needed in view of the fact that the Requirement for Election of Species is contingent upon election of Groups I or III, neither of which has been elected.

PRELIMINARY AMENDMENT

ATTORNEY DOCKET NO. Q67859

Applicant reserves the right to file a Divisional Application directed to non-elected Groups I and III.
